## **GOVERNMENT PROBES** MEXICANS' ACTION

Investigation is Began to Determine Identity of Nations Reported Agenst Monroe Doctrine

NON-RECOGNITION IS CAUSE

Officials at Capital Think Refusal to Ask Mexico to Join League Lends to Morroe Repudiation.

WARLINGTON, April 29 US us) inferes was minifested ted official circles as to the ident "governments friently to Mexic that have requested the foreign office to express so Maxica the recognition of the patches from Mexico (its lication of the signatures league of nations overman join the league caused officials

tain the identities of the nations referred to in the Mexican official statement.

Official pointed our that Argentina. Chie, Salvador, Colombia, Paraguay and Venegueia were the only Latin-American countries that did not break with Germany during the war and it was said that the "governments friendly to Mexico mentioned by Mexican foreign office might be among these it is possible according to a high official, that Costa Rich, as yet unrecognized by the United States and not invited to ioin the league of nations, made the inquiry. The same authorities stated San Salvador as a close alig of Mexico, would not have made to find the inquiry because her policy would be largely dependent upon Mexico Sparagav was eliminated because of her isolated referror and lack of interest in the subject. It was pointed out that Colombia and Venezuela have on a number of occasions approved the application of the Monroe either was a contracted that a colombia and Venezuela have on a number of occasions approved the application of the Monroe either was a contracted to the complex of the senior division of the Monroe either was a considered to the contraction of the Monroe either was a considered to the contract of the senior division of the training corps communication.

Michaean Camp Provide Mexico, Westing Mexico, Westing Westing Colorado, Nariows and Wyoming, Colorado, Rances and Michaean Camp Provide and Venezue that the contract of the general staff Complete and the carriers and the carriers and the carriers are available at the carriers are available at the carriers are available at the carriers are available as th doctrine so it is considered unlikely either sought the information. Thus by process of elimination the concludon is that if such an inquiry was made it probably came from Argen-tina and Chile. Both these countries have been invited to join the league of nations and both have officially expressed their approval of the or-ganization. The inclusion of the Monroe doctrine specifically in the cove-nant of the league has not brought forth any protest from either coun-

Mexico's announcement of refusal to recognize the Monroe dectrine, it was stated by a high official, was made after she had learned definite by she was not to be invited to become a member of the learne of new to recipitate the recall of Alberto J. Pani as minister to France, where the could not secure an audience for the presentation of his credentials. Rumors have reached Washington that Eduardo Hay, who was accredited to the Italian government by Carranza and has not been received, also has been received.
